

Vitamin Injection Clinic

Our most popular program, the On -Site Vitamin Shot Clinic, can be paid for directly by your company, company employees, or through payroll deductions. Wellness Express nurses are available for monthly, bi-monthly, or one-time visits at designated times and dates. Clinic time frame is based on the number of participating employees. Typical clinics last 30-60 minutes.

Company-Paid Program: Company will receive an invoice and a copy of employee waiver.

Employee-Paid Program: Payable by Cash, Check, Debit/Credit/HSA. Payments due during on-site clinic.

B-12: \$15

Super B: \$20

Super B Extreme: \$25
